Re: Special Access for Price Cap Local Exchange Carriers, WC Docket No. 05-25

Dear Ms. Dortch:

On October 25, 2012, Beth Choroser, Andrew Fisher, and the undersigned of Comcast Corporation ("Comcast") and Richard Metzger and Emily Daniels of Lawler, Metzger, Keeney & Logan, LLC, outside counsel to Comcast, spoke via telephone with William Layton, Kenneth Lynch, Elizabeth McIntyre, and Eric Ralph of the Wireline Competition Bureau, and Jack Erb of the Office of Strategic Planning and Policy Analysis. The purpose of the call was to discuss the "comprehensive data collection order" that is expected to be issued in the near future.¹

The Commission staff discussed a wide array of data it plans to request from the year 2010, including, for example, detailed information regarding prices charged, locations served, and services provided. In response, Comcast's representatives generally discussed the availability of these types of 2010 data. Comcast's representatives also agreed to consult with the relevant business units within Comcast regarding the feasibility of, and difficulties associated with, providing on a nationwide basis both certain 2010 data regarding services that was previously submitted in this proceeding for a limited number of markets as well as additional information regarding pricing and facilities.
